Trademark Registration for Departments

Collaborating with The Office of Trademark Licensing

Revised June, 2020

Want to Trademark a Logo or Word?

- Questions to ask yourself:
 - Why do I want to register?
 - Am I currently using the word/image to be trademarked?
 - How am I going to be using the trademark?
 - Where am I going to use it?
 - Websites, products, flyers
 - What am I registering?
 - Is it a logo or word/phrase?
 - Does it have specific characteristics?
 - Am I prepared to defend it?
 - Does anyone else currently use something similar?

How Office of Trademark Licensing Helps You

- Consults with your department and offer guidance and insight
 - Shares details about costs and processes associated with advisement and registration
- Conducts initial inquiries
- Negotiates a discounted lawyer fee
- Attends and participates in your meetings with outside counsel
- Recommends applicable classes
- Monitors trademark process through the Rutgers docket
- Provides notice as deadlines approach
- Protects trademarks and enforces infringement

Your Responsibilities

- Determine use and scope of your marks
- Decide which classes to apply for
- Provide examples of how the mark is/will be used
- Fill out the related paperwork and adhere to deadlines
- Commit the budget needed to cover costs associated with legal counsel and registration

General Process and Timeline for Registration

- Contact Office of Trademark Licensing for initial discussion
- Determine trademark availability – 1 month
- Discuss classes and concerns with outside counsel – 1 month
- File “Intent to Use” application – 3 months
- Receive determination from US Trademark Office – 13 months
- File “Statement of Use” –1 month
- USPTO Approves – 1 month
- File “Continued Use” – After 10 years
